features

by Natuzzi Design Center

Sofa available in linear and corner versions. Two different seat widths that let you choose the one best suited to your needs.

Relax functions

Adjustable headrest on each seat, including corner seats, to satisfy all comfort requirements. Built-in lumbar cushions for excellent lower-back support. Soft Touch system available on each seat, controlled by a button located between the seat and the armrest: a single touch activates the recliner function, opening the seat, backrest and footrest. Watch TV comfortably even when lying down. The Zero Wall space-saving system means the recliner function works without the need to move the sofa away from the back wall.

Additional options

Audio system with built-in, bluetooth-enabled speakers (available on 3-seater and recliner-function sofas). The armrest features refined leather details that can either match the colour of the fabric or contrast with it.

Coverings

Coverings in fabric or Natuzzi leather, available in over 200 colours.
