

Husk

CHAIRS

2012

Patricia Urquiola

Description

Comfortable, with a modern combination of base and seat, it picks up the profile of the namesake armchair. The body, which is shaped with a design that cites the capitonné style, conveys a feeling of softness. In the Husk chair cushions, in fabric or leather, fixed with press studs, are distinguished by the quilting.

Technical information

Shell

high density polyurethane resin

Shell cover (P1FCN-P1GCN-P2FC-P3FC-P4GC)
